

## HALO

A very attractive, high quality luminaire for medium or large settings. For use in mains and emergency lighting applications.

A low energy, long life solution for wall or ceiling mounting. Characterised by a halo of back light as with the Zodiac. Available in two sizes.

### Key Features:

- A spun steel base and trim with a standard white finish or the option of Brass (B), Chrome (C) or Satin Nickel (SN) plating.
- Supplied complete with ballast and choice of energy efficient lamp.
- Opal diffusers are standard. We also stock prismatic diffusers.
- Suitable for wall or ceiling mounting with the option of a suspended mount (SP).
- Integral HF electronic ballast options (H).
- Integral Emergency 3 hour maintained (E) versions suitable for escape route lighting.

For Use Anywhere:

Halls, Corridors, Conference Centres, Shopping Centres, Hotels, Galleries, Churches, Function Rooms, Schools and Hospitals.

Product	Outer Diameter	Overall Depth	Rim Width
