

QUADRATA

A very popular and durable polycarbonate luminaire. A large practical diffuser, gives a discrete, low energy, long life solution for wall or ceiling mounting.

Available with an emergency option and a range of lamps.

Key Features:

- A stylish and practical luminaire with a strong impact resistant polycarbonate diffuser.
- A standard black base with an opal diffuser. Options include: a White (W) base or Prismatic (P) diffuser.
- Supplied complete with internal reflector, ballast and energy efficient lamp.
- Suitable for wall or ceiling mounting.
- Integral Emergency 3 hour maintained option (E).
- Integral HF electronic ballast options (H) and an internal reflector option (R).

For general use anywhere as a bulk-head or night light.
