

SIRUZ

A high quality recessed floodlight for small or large indoor settings.

A low energy, long life solution using high lumen HQI lamps.

Key Features:

- A heavy gauge zintec steel sheet housing finished in white or black.
- Supplied complete with lamp and separate enclosed gear tray.
- Tempered glass and a high purity (anodised aluminium) reflector.
- Suitable as a directional ceiling mounted spot.

For Use Anywhere:

Applications include shop window displays, show rooms, hotels and restaurants.

Product	Facia	Recess
